Wart Finds a Snail

Wart sat by the pond to look for bugs. Then he saw a snail on a green leaf.

The wind picked up. Off went the green leaf, with the snail on it! Wart saw that the snail could not swim. He looked at the water. Then he jumped in.

Wart got the snail back to the sand. He got a seed for it. The snail liked the seed! Then they had a sleep in the sun. That snail could sleep a lot!
